ClassACT in Action!

Our new website is launched and ready for your participation. There's more information, more up-to-the-minute news, lots more interactivity...you can find and contact classmates, participate in discussion forums about issues you care about and introduce your own ideas and opinions.

Go to classacthr73.org and click on Engage/[Join ClassACT](#). Members of the class will find their unique login button and instructions for setting new passwords. Others will find a section for sending us their contact information so we can get them signed up.

Meet our newest [Board members](#), read the latest news about the Benazir Bhutto Leadership Program and our classmate-sponsored nonprofit efforts, review our [history and results](#), tell us how we can do what we're doing even better.
