### Survey Highlights

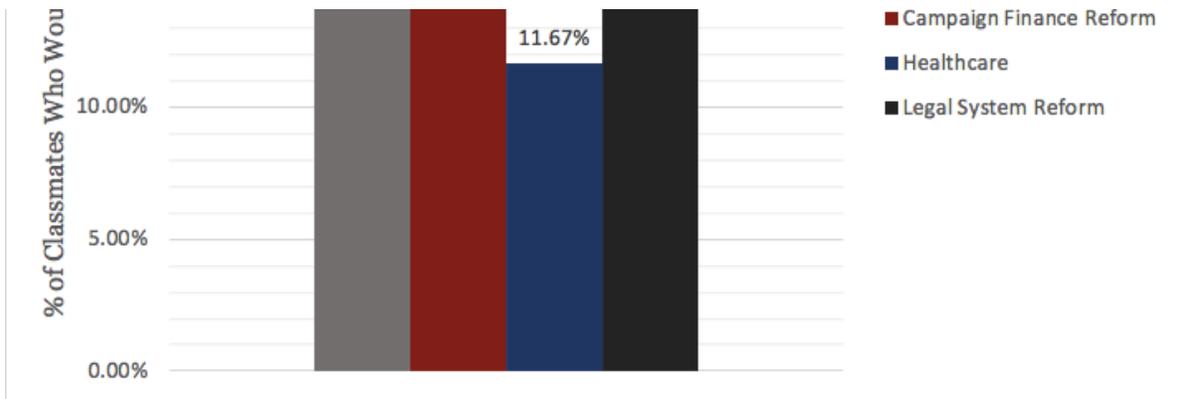

We wanted to share some of the highlights of the survey we sent out earlier this year. **The survey is still live** on the ClassACT HR'73 website so you can fill it out [here](#) if you haven't done so already. It will be helpful in giving us guidance and direction and, hopefully, engaging you to join us in some way.

#### 1. What are you interested in?

According to our survey, classmates picked four main areas that they were interested in working on. They were **education** (20% of classmates were interested), **legal system reform** (18%), **campaign finance reform** (15%), and **healthcare** (12%).

**We hear your interests loud and clear**, and we've taken them into account! If you're interested in any of these areas, shoot us an email at [classacthr73@gmail.com](mailto:classacthr73@gmail.com) and be on the lookout for upcoming news and events centered around them.

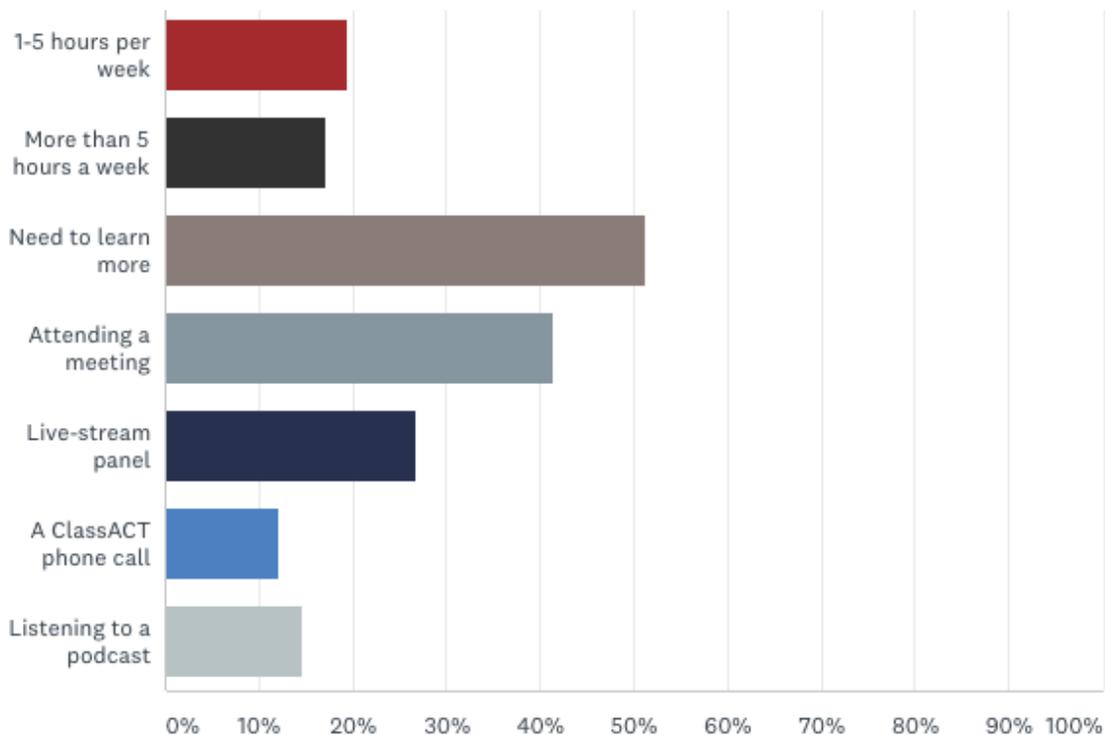

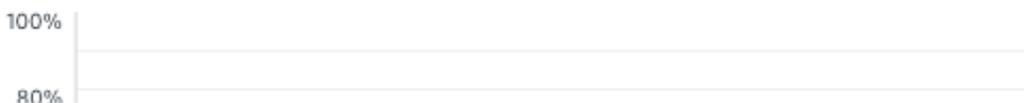

## 2. Just how committed are you?

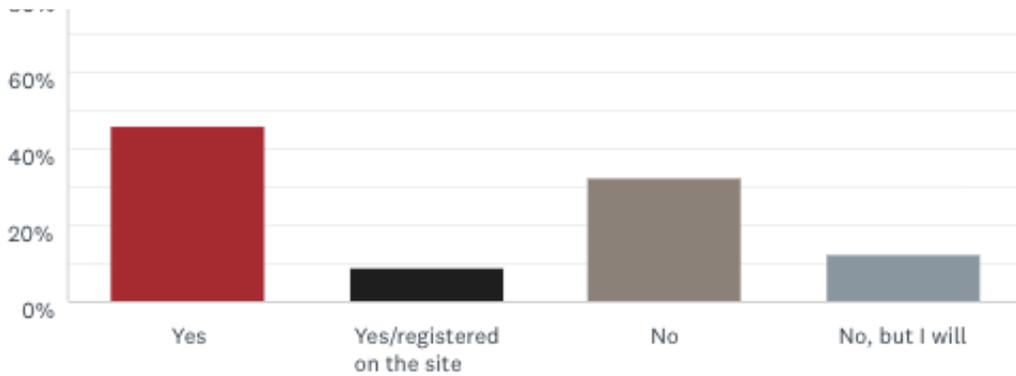

**51%** of respondents said **they'd like to learn more about ClassACT**, and **42%** of respondents said they would be interested in **attending a meeting or small group discussion** to learn more. We love to spread the ClassACT message and are planning several events for that purpose.

About **20%** of respondents said **they'd be willing to dedicate 1-5 hours a week**, and **17%** said **they could commit to more than five**. We're impressed with your commitment! If you'd like to get more involved with us, get in touch at [classacthr73@gmail.com](mailto:classacthr73@gmail.com).

## 3. ClassACT has a website. Have you visited the website?

**Almost half of our respondents (46%) said they'd visited the ClassACT website!** We're happy to hear that, even though a smaller percentage of you are actually registered on the site. **Register now** to make staying in touch with classmates easy, hear about events, and stay in the ClassACT loop!

We are also excited to announce **that we will be rebooting our website!** We're working hard to update our site with dynamic content this October.
